## Good Food, Family and a Dream.

Good food and family are the heart of Giannilli's. Established in 1978, nearly 45 years ago, Dennis and Linda Giannilli started a small pizza shop. Taking a huge risk, the young couple worked long hours and invested all they had into renovating an old gas station to fulfill their dream.

Each pizza was crafted from homemade sauce, hand-mixed dough, and only the freshest quality ingredients. Years ago, Giannilli's became a favorite in the Greensburg area...and it's still a favorite today.

Gino, Mike, and Nick grew up working in the family business making pizzas, learning family recipes, and how to run a successful restaurant are skills they learned from their parents.

Gino and Mike partnered to build a beautiful new banquet center, Giannilli's II, continuing the tradition of good food and family while expanding the dream. Giannilli's II can host or cater large corporate events and weddings as well as parties, anniversaries, and other family events without losing touch with the importance of the quality of the customer experience. Mike, Gino and Nick know the importance of good food and family.

Both Giannilli's and Giannilli's II restaurants are places where families can bring the kids and enjoy a delicious dinner out together without breaking the bank. Next time you are looking for a great meal in a casual and inviting atmosphere, pull up a chair at Giannilli's.

Our family is waiting for you!
